

# DEFIBRILLATORS

Soma Technology, Inc. stocks hundreds of new and refurbished defibrillators. The units available range from the most simple manual defibrillator to a fully loaded defibrillator with color monitor, recorder, biphasic capability, 12-lead ECG, AED, pacing, ECG, NIBP, SpO2, CO2 and IBP. Our goal is to provide you with the right defibrillator for your specific needs. Visit our website or give us a call for complete details.
