

OPERATING ROOM

Soma Technology, Inc. is able to completely outfit the entire operating room with new and refurbished equipment for surgery. We proudly refurbish equipment only from the top manufacturers such as, but not limited to, Datex-Ohmeda, Drager Narkomed, Steris Amsco, and Valleylab. Whether you are looking for just one piece of equipment or a complete OR set up, we invite you to visit our website or give us a call. See following a sample of the equipment we have available.
